Response: mashup two popular fictions
and reply with:
"May your Health be with you."

Due to the threat of contagious
disease (COVID-19) please accept
alternates to handshakes, such as
Vulcan Salute, in place of traditional
handshakes until vaccines are at
warp drive. This Star Trek greeting
means "Live long and Prosper," and is
used to wish friends, family, business
partners, and others prosperity and
health.
